

SAGGY SPRING SYNDROME

We have all seen them. Trailers suffering from the frightening
“Saggy Spring Syndrome”

EZ Claw has kicked-off a photo contest of saggy springs that leave hoses and cables dangerously low or in some cases dragging! **So, start taking those photos now!** Please include any info you have - location, date, trailer owner/manufacturer, etc. Submit photos to: Saggy@ezclaw.com

The contest runs through 2009! Prizes will be awarded monthly. You can view the monthly winners on www.ezclaw.com.
